Overall Length:

1.250 inches

Maximum Conductor Size Accommodated:

1 awg

Largest Width:

1.750 inches single end

Electrical Insulation Feature:

Insulating sleeve

Identification Code Color:

Black

Basic Shape Style:

Crimp

Conductor Accommodation Type:

Parallel crimp clamp all ends

Material:

Plastic phenol-formaldehyde insulation

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A006b0
