Overall Length:

2.625 inches

Overall Height:

1.000 inches

Overall Width:

1.000 inches

Usage Design:

Adapts 95 ohm balanced load to a 50 ohm unbalanced source, input connector type bnc jack, output connector plug type small connector

Special Features:

Material: metal

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A536x0
