**Overall Height:**

0.344 inches

**Overall Diameter:**

0.175 inches

**Largest Diameter:**

0.030 inches single end

**Electrical Insulation Feature:**

Standoff insulation

**Mounting Method Style:**

Press fit

**Minor Bushing Diameter:**

0.125 inches

**Major Bushing Diameter:**

0.175 inches

**Minor Bushing Length:**

0.080 inches

**Features Provided:**

Mounting hardware

**Conductor Accommodation Type:**

Pin all ends

**Special Features:**

Design configuration, single ended nontubular

**Material:**

Glass insulation

**Surface Treatment:**

Tin conductor accommodation single layer

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A006b0
