Width Across Flats:

0.312 inches

Overall Height:

0.694 inches

Mounting Method Style:

Tapped hole

Mounting Thread Diameter:

0.122 inches

Mounting Thread Series:

Unc

Mounting Thread Quantity:

40 per inch

Conductor Accommodation Type:

Double turret single end

Special Features:

Design configuration, single ended nontubular

Material:

Copper alloy conductor accommodation

Surface Treatment:

Tin conductor accommodation single layer

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A006b0
