Overall Length:

5.280 inches

Overall Height:

0.175 inches

Overall Width:

0.078 inches

Mounting Configuration:

Clips into groove on end plate and held in place by tension

Unit Type:

Channel

Mounting Method:

Press fit

Contact Finger Quantity:

32

Material:

Beryllium copper

Material:

Copper alloy

Surface Treatment:

Tin

Surface Treatment:

Tin plated

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T174-b
