Overall Length:

0.500 inches

Overall Diameter:

0.250 inches

Usage Design:

Adapts radio frequency cable jack to jack

Material:

Steel comp 303

Material Specification:

Qq-s-763, class 303, cond a federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A536x0
