Overall Height:

0.703 inches

Overall Diameter:

0.281 inches

Electrical Insulation Feature:

Insulating mounting bushing

Minor Bushing Diameter:

0.195 inches

Major Bushing Diameter:

0.281 inches

Identification Code Color:

White

Basic Shape Style:

Nontubular round

Material:

Iron conductor accommodation

Surface Treatment:

Tin conductor accommodation single layer

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A006b0
