Overall Length:

1.020 inches

Overall Width:

0.535 inches

Material Thickness:

0.062 inches

Largest Width:

0.500 inches single end

Electrical Insulation Feature:

Insulating mounting bushing

Special Features:

Mounted w/one male and one female contact; two 6.500 in. Wire leads attached

Material:

Plastic insulation

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A006b0
