Overall Length:

0.850 inches

Overall Height:

0.847 inches

Overall Width:

0.390 inches

Special Features:

Housing material shall be hard non-resilient and non-metallic, sealing grommet material shall be high grade dielectric having a durometer hardness of shore a, 40 to 60; color, green

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510r0

Mil-std (military Standard):

Mil-t-81714 spec.
