Body Length:

3.437 inches

Body Width:

1.140 inches

Body Height:

0.953 inches

Mounting Configuration:

Two tapped no. 18-32-nc-1b mtg holes placed on 3.031 in. By 39/64 in. Mtg centers

Material:

Plastic, phenol-formaldehyde

Surface Treatment:

Any acceptable

Fsc Application Data:

Leland electric co. Part no. Age 53-1 generator

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T23700
