Overall Length:

2.563 inches

Overall Height:

1.000 inches

Overall Width:

1.000 inches

Usage Design:

Adapts 3/8 in. (type n-male ug-21/u) transmission line to 7/8 in. (female ug-46/u) transmission line

Material:

Aluminum

Fsc Application Data:

Fire control maintenance and repair shop specialized equipment

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A536x0
