Width Across Flats:

0.250 inches

Overall Height:

0.781 inches

Electrical Insulation Feature:

Standoff insulation

Mounting Method Style:

Tapped hole

Mounting Thread Diameter:

0.138 inches

Thread Length:

0.219 inches

Basic Shape Style:

Nontubular, hex

Mounting Thread Series:

Unc

Conductor Accommodation Type:

Bifurcated u-fork single end

Special Features:

Fungus-proof mil-t-5422

Material:

Copper alloy except insulation

Surface Treatment:

Tin except insulation single layer

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A006b0
