**Width Across Flats:**

0.250 inches

**Overall Height:**

0.781 inches

**Electrical Insulation Feature:**

Standoff insulation

**Mounting Method Style:**

Tapped hole

**Mounting Thread Diameter:**

0.138 inches

**Thread Length:**

0.219 inches

**Basic Shape Style:**

Nontubular, hex

**Mounting Thread Series:**

Unc

**Conductor Accommodation Type:**

Bifurcated u-fork single end

**Special Features:**

Fungus-proof mil-t-5422

**Material:**

Copper alloy except insulation

**Surface Treatment:**

Tin except insulation single layer

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A006b0
