Width Across Flats:

0.250 inches

Overall Height:

0.630 inches

Electrical Insulation Feature:

Insulating mounting bushing

Mounting Thread Diameter:

0.112 inches

Thread Length:

0.160 inches

Mounting Thread Series:

Unc

Conductor Accommodation Type:

Bifurcated u-fork single end

Material:

Copper alloy conductor accommodation

Surface Treatment:

Tin conductor accommodation single layer

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A006b0
