**Width Across Flats:**

0.250 inches

**Overall Height:**

0.630 inches

**Electrical Insulation Feature:**

Insulating mounting bushing

**Mounting Thread Diameter:**

0.112 inches

**Thread Length:**

0.160 inches

**Mounting Thread Series:**

Unc

**Conductor Accommodation Type:**

Bifurcated u-fork single end

**Material:**

Copper alloy conductor accommodation

**Surface Treatment:**

Tin conductor accommodation single layer

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A006b0
