Overall Length:

1.406 inches

Overall Diameter:

0.843 inches

Usage Design:

Adapts unef 0.750-20 internally threaded cable to unef 0.562-24 externally threaded cable

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-225/8, alloy 6061, t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A536x0
