Overall Height:

1.125 inches

Overall Diameter:

0.812 inches

Wire Hole Diameter:

0.065 inches single end

Electrical Insulation Feature:

Standoff insulation

Identification Code Color:

White

Conductor Accommodation Type:

Flat wire w/hole single end

Second End Terminal Length:

0.125 inches

Material:

Steel except insulation

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A006b0
