Overall Length:

24.000 inches

Overall Height:

0.937 inches

Overall Thickness:

Between 0.004 inches and 0.005 inches

Unit Type:

Channel

Mounting Method:

Press fit

Contact Finger Quantity:

64

Material:

Copper-beryllium, qq-c-533, alloy 172

Material:

Copper alloy 172

Material Specification:

Qq-c-533, alloy 172 federal specification single material response

Surface Treatment:

Cadmium and chromate

Surface Treatment:

Cadmium plated w/chromate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T174-b
