Overall Length:

5.500 inches

Overall Width:

0.190 inches

Mounting Configuration:

Two 0.060 in. Diameter mtg holes spaced 5.120 in. C to c parallel to lg

Unit Type:

Any acceptable

Mounting Method:

Hole

Wire Accommodation Quantity:

52

Material:

Beryllium copper, qq-c-533, 172, h

Material:

Copper alloy 172

Material Specification:

Qq-c-533, 172, h federal specification single material response

Surface Treatment:

Gold

Surface Treatment:

Gold plated

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T174-b
