Overall Length:

3.630 inches

Overall Height:

0.003 inches

Overall Width:

0.250 inches

End Application:

Hgf-82

Unit Type:

Plate

Contact Finger Quantity:

22

Material:

Copper-beryllium, qq-c-533

Material:

Copper alloy 170 or copper alloy 172

Material Specification:

Qq-c-533 federal specification single material response

Surface Treatment:

Nickel and gold

Surface Treatment:

Nickel and gold plated

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T174-b
