Overall Length:

6.120 inches

Overall Height:

0.220 inches

Overall Width:

1.220 inches

Mounting Configuration:

Two 0.259 in. Diameter through holes in center of board 0.250 in. From ea end w/captive screws

Special Features:

W/one 4.000 in wire & one ea ms25036-103 & ms25036-150 term.

Special Markings:

Danger high voltage

Material:

Glass cloth and resin

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T23700
