Overall Length:

1.248 inches

Quick Disconnect Style:

Semi ball

Err Default:

Err default

Maximum Conductor Size Accommodated:

10 awg

Electrical Insulation Feature:

Insulating sleeve

Identification Code Color:

Black

Basic Shape Style:

Snap

Conductor Accommodation Type:

Recessed barrel single end

Material:

Plastic polyvinyl chloride insulation

Surface Treatment:

Tin except insulation single layer

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A006b0
