Overall Length:

0.687 inches

Overall Width:

0.265 inches

Material Thickness:

0.020 inches

End Application:

S-3 acft

Basic Shape Style:

Solder

Material:

Copper alloy

Material Specification:

Qq-b-613a federal specification all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A006b0
