Mounting Method Style:

Stud

Thread Length:

0.938 inches

Special Features:

Item is 1.219 in o/a lg, w/0.375 in. Square head w/0.141 in. Center hole, 1/4-28 unf-2a thd over stem of stud, threaded part 0.250 in. Dia, appl f-5a and f-5b

Material:

Steel

Material Specification:

Qq-s-763, cl6, type e federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A006b0
