**Overall Length:**

7.703 inches

**Overall Width:**

1.750 inches

**End Application:**

Common tank

**Usage Design:**

The adapter is intended for use with mil-c-38999 connectors, series i shell size 15

**Special Features:**

Item is bent at 90 deg.Angle

**Material:**

Aluminum alloy 6061

**Material Specification:**

Qq-a-225/8, alloy 6061, t6 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A536x0
