Overall Length:

7.703 inches

Overall Width:

1.750 inches

End Application:

Common tank

Usage Design:

The adapter is intended for use with mil-c-38999 connectors, series i shell size 15

Special Features:

Item is bent at 90 deg.Angle

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-225/8, alloy 6061, t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A536x0
