Overall Length:

16.000 inches

Overall Width:

0.250 inches

Unit Type:

Angle

Mounting Method:

Any acceptable

Material:

Beryllium copper

Material:

Copper alloy

Specification Data:

30817-97-520-02 professional/industrial association specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T174-b
