

View Online at <https://aerobasegroup.com/nsn/5940-01-349-1625>

Overall Length:

0.650 inches

End Application:

Antena coupler group (oc-334/trc)

Special Features:

Lockwashers are phosphor bronze and crimp ferrules are annealed copper alloy

Material:

Copper alloy 360

Material Specification:

Qq-b-626, alloy 360 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A536x0
