**Overall Height:**

1.780 inches

**Maximum Height Above Mounting Surface:**

0.980 inches

**Electrical Insulation Feature:**

Insulating mounting bushing

**Identification Code Color:**

Red

**Basic Shape Style:**

Single post, round (post binding)

**Features Provided:**

Mounting hardware

**Conductor Accommodation Type:**

Screw cap w/hole single end

**Cap Outside Diameter:**

0.440 inches

**Special Features:**

Straight mtg hole, flat one side; 8-32 thread

**Material:**

Plastic polycarbonate insulationcopper alloy except insulation

**Surface Treatment:**

Tin except insulation single layer

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A006b0
