#### **Overall Height:**

1.780 inches

# Maximum Height Above Mounting Surface:

0.980 inches

# **Electrical Insulation Feature:**

Insulating mounting bushing

# Identification Code Color:

Red

#### Basic Shape Style:

Single post, round (post binding)

### **Features Provided:**

Mounting hardware

#### **Conductor Accommodation Type:**

#### Screw cap w/hole single end

Cap Outside Diameter:

## 0.440 inches

Special Features:

# Straight mtg hole, flat one side; 8-32 thread

Material:

Plastic polycarbonate insulation copper alloy except insulation

## Surface Treatment:

Tin except insulation single layer

#### Shelf Life:

N/a

#### Unit Of Measure:

---

## Demilitarization:

No

## Fiig:

A006b0
