Overall Height:

1.780 inches

Maximum Height Above Mounting Surface:

0.980 inches

Electrical Insulation Feature:

Insulating mounting bushing

Identification Code Color:

Red

Basic Shape Style:

Single post, round (post binding)

Features Provided:

Mounting hardware

Conductor Accommodation Type:

Screw cap w/hole single end

Cap Outside Diameter:

0.440 inches

Special Features:

Straight mtg hole, flat one side; 8-32 thread

Material:

Plastic polycarbonate insulationcopper alloy except insulation

Surface Treatment:

Tin except insulation single layer

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A006b0
