## NSN 5940-01-356-1942

Stud Terminal - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5940-01-356-1942

Mounting Method Style:
Press fit
Basic Shape Style:
Tubular, round
Conductor Accommodation Type:
Double turret single end
Material:
Copper alloy conductor accommodation
Material Specification:
Qq-b-626 military specification single material response
Surface Treatment:
Copper single layer
Surface Treatment Specification:
Mil-f-14072 military specification single treatment response conductor accommodation single layer
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A006b0
Mil-std (military Standard):
spec.
