Overall Length:

0.923 inches

Maximum Conductor Size Accommodated:

6 awg

Electrical Insulation Feature:

Insulating sleeve

Mounting Method Style:

Ring

Mounting Hole Diameter:

0.074 inches

Identification Code Color:

Black

Basic Shape Style:

Crimp

Conductor Accommodation Type:

Recessed barrel single end

Material:

Plastic polyamide insulationcopper except insulation

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A006b0
