Overall Length:
0.923 inches
Maximum Conductor Size Accommodated:
6 awg
Electrical Insulation Feature:
Insulating sleeve
Mounting Method Style:
Ring
Mounting Hole Diameter:
0.074 inches
Identification Code Color:
Black
Basic Shape Style:
Crimp
Conductor Accommodation Type:
Recessed barrel single end
Material:
Plastic polyamide insulationcopper except insulation
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A006b0
