Width Across Flats:

0.250 inches

Overall Height:

0.919 inches

Maximum Height Above Mounting Surface:

0.700 inches

Electrical Insulation Feature:

Insulating sleeve

Identification Code Color:

Green

Basic Shape Style:

Compression

Conductor Accommodation Type:

Straight barrel single end

Material:

Plastic diallyl phthalate insulation

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A006b0
