Overall Height:

0.433 inches

Overall Diameter:

0.161 inches

Largest Diameter:

0.087 inches single end

Turret Minor Diameter:

0.040 inches single end

Electrical Insulation Feature:

Insulating sleeve

Basic Shape Style:

Tubular, round

Conductor Accommodation Type:

Double turret single end

Material:

Plastic insulationcopper alloy except insulation

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A006b0
