Overall Length:

2.380 inches

Overall Width:

2.010 inches

Electrical Insulation Feature:

Uninsulated

End Application:

Mrap - unique nsn - used on 2 mrap variants

Basic Shape Style:

Battery post

Special Features:

Right elbow terminal, polarity negative

Material:

Copper alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A006b0
