Overall Height:

0.530 inches

Turret Minor Diameter:

0.045 inches single end

Electrical Insulation Feature:

Uninsulated

Conductor Accommodation Type:

Double turret single end

Special Features:

Mounting end is forked

Material:

Beryllium

Surface Treatment:

Tin single layer

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A006b0
