Overall Height:

45.0 millimeters

Overall Diameter:

7.0 millimeters

Electrical Insulation Feature:

Insulated caps with insulated studs

Identification Code Color:

Gray and brown

Basic Shape Style:

Single post, round (post binding)

Conductor Accommodation Type:

Recessed barrel single end

Cap Outside Diameter:

13.0 millimeters

Material:

Copper except insulation

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A006b0
