Overall Height:

0.350 inches

Overall Diameter:

0.125 inches

Thru-hole Diameter:

0.070 inches

Electrical Insulation Feature:

Insulating sleeve

Identification Code Color:

Red

Basic Shape Style:

Tubular, round

Special Features:

Terminal test points o/a dimensions 3.250 in

Material:

Plastic polyamide insulation

Surface Treatment:

Tin except insulation single layer

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A006b0
