| Overall Length:                      |
|--------------------------------------|
| 1.750 inches                         |
| Overall Width:                       |
| 0.560 inches                         |
| Material Thickness:                  |
| 0.068 inches                         |
| Maximum Conductor Size Accommodated: |
| 4 awg                                |
| Electrical Insulation Feature:       |
| Insulating sleeve                    |
| Mounting Method Style:               |
| Ring                                 |
| Mounting Hole Diameter:              |
| 0.201 inches                         |
| Mounting Tongue Width:               |
| 0.560 inches                         |
| Mounting Facility Thickness:         |
| 0.068 inches                         |
| Identification Code Color:           |
| Yellow                               |
| Basic Shape Style:                   |
| Crimp                                |
| Conductor Accommodation Type:        |
| Recessed barrel single end           |
| Material:                            |
| Copper except insulation             |
| Shelf Life:                          |
| N/a                                  |
| Unit Of Measure:                     |
|                                      |
| Demilitarization:                    |
| No                                   |
| Fiig:                                |
| A006b0                               |
|                                      |
