Overall Length:

0.607 inches

Unit Type:

Any acceptable

Material:

Copper-beryllium, qq-c-533

Material:

Copper alloy 170 or copper alloy 172

Material Specification:

Qq-c-533 federal specification single material response

Surface Treatment:

Copper and nickel

Surface Treatment:

Copper plated and nickel plated

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T174-b
