Overall Length:

0.630 inches

Overall Height:

0.590 inches

Overall Width:

0.630 inches

Current Type:

Ac

Pole Quantity:

2

Block Type:

Regular

Voltage Rating:

300.0 volts

Mounting Method:

Panel

Terminal Design:

Terminating

Special Features:

Polyamide, self extinguishing to ul94, natural material; nickel plated brass, terminal body material; has consecutive numbering

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510r0
