Overall Height:

0.560 inches

Overall Width:

1.310 inches

End Application:

P/N9-32-508-1503

Block Type:

Regular

Current Rating In Amps:

30.0

Wire Size Accommodated:

10.000 awg

Special Features:

0.560 inch between screw center to screw center, 4 screws (no. 8-32unc) on each side; material is electrically non-conductive

Terminal Type And Quantity:

8 screw

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A510r0
