Overall Length:

0.645 inches

Overall Width:

0.218 inches

Basic Shape Style:

Solder/solderless

Product Name:

Diamond grip heat resistant ring tongue terminals

Special Features:

Uninsulated terminal; stud size 6; wire insulation diameter maximum 0.110 inch; material and finish terminal body copper per ASTM B152, plating nickel per QQ-N-290, 650 degrees F, metallic sleeve nickel silver per ASTM B122

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A006b0
