**Overall Length:**

3.150 inches

**Overall Height:**

2.200 inches

**Overall Width:**

0.240 inches

**Current Type:**

Dc

**End Application:**

Console, cont

**Special Features:**

Input: 5vdc; output: 3-48 vdc, 100 ma continuous load current; output connection: 3 conductors; output resistance: 22 k ohms; ambient temp range: -20 to +60 degrees c; status display via green led

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A510r0
