Overall Length:

3.150 inches

Overall Height:

2.200 inches

Overall Width:

0.240 inches

Current Type:

Dc

End Application:

Console, cont

Special Features:

Input: 5vdc; output: 3-48 vdc, 100 ma continuous load current; output connection: 3 conductors; output resistance: 22 k ohms; ambient temp range: -20 to +60 degrees c; status display via green led

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510r0
