Overall Length:

24.000 inches

Overall Width:

0.340 inches

End Application:

Arc-169

Unit Type:

Any acceptable

Special Features:

Supplied in 24 inch strips

Material:

Beryllium copper

Material:

Copper alloy

Surface Treatment:

Cadmium and chromate

Surface Treatment:

Cadmium plated w/chromate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T174-b
