Overall Length:

1.416 inches

Overall Width:

0.531 inches

Material Thickness:

0.300 inches

Electrical Insulation Feature:

Insulating sleeve

Mounting Method Style:

Ring

Identification Code Color:

Yellow

End Application:

NSN1-52-001-1255

Basic Shape Style:

Solder/solderless

Conductor Accommodation Type:

Flat lug single end

Material:

Plastic vinyl insulation

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A006b0
