Overall Length:

3.580 inches

Overall Height:

2.205 inches

Overall Width:

0.236 inches

Current Type:

Dc

Operating Temperature Range:

-25.0/+40.0 degrees celsius

End Application:

Alofts sonar system, model 98 (v1)

Voltage Rating:

5.0 volts

Special Features:

Manufacturer name, terminal junction block, sectional, optical coupler

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510r0
